

## Tutorials - May 20, 2013

08:15-09:00	Registration							
09:00-09:15	Welcome							
09:15-10:30	Keynote (in room "Runöhallen") "How Do I Know I'm Context-Driven?" James Bach							
10:30-11:00	BREAK							
	Room: Folkbildaren 3	Room: Folkbildaren 10	Room: Folkbildaren 2	Room: Folkets Hus 3	Room: Folkbildaren 1	Room: Folkets Hus 2	Room: Folkets Hus 4	Room: Folkets Hus 1
11:00-12:30	"In Depth Look at the Art of Test Reporting" James Bach	"Hiring For Your Team: Culture Trumps Skills" Johanna Rothman	"Better Teamwork, Better Product" Steve Smith	"Improving system performance through a few minutes, every day, from everyone" Scott Barber	"What's The Problem?" Michael Bolton	"Beyond RCA: Lifelong Analysis Skills for Explorers & Process Junkies alike" Simon Morley	"The Challenges of Brilliant Observations and the Fallacies of Convincing Descriptions" Ilari Henrik Aegerter	"Human-scale Test Automation" Michael Hunter
	LUNCH							
13:30-15:00	"In Depth Look at the Art of Test Reporting" James Bach	"Hiring For Your Team: Culture Trumps Skills" Johanna Rothman	"Better Teamwork, Better Product" Steve Smith	"Improving system performance through a few minutes, every day, from everyone" Scott Barber	"What's The Problem?" Michael Bolton	"Beyond RCA: Lifelong Analysis Skills for Explorers & Process Junkies alike" Simon Morley	"The Challenges of Brilliant Observations and the Fallacies of Convincing Descriptions" Ilari Henrik Aegerter	"Human-scale Test Automation" Michael Hunter
15:05-16:30	"In Depth Look at the Art of Test Reporting" James Bach	"Hiring For Your Team: Culture Trumps Skills" Johanna Rothman	"Better Teamwork, Better Product" Steve Smith	"Rapid Performance Testing" Scott Barber	"To Infinity and Beyond! Simple Sampling Techniques for Test Coverage" Dawn Haynes	"Learning To Say No" Fiona Charles	"Thinking and working visually for software testers" Huib Schoots & Jean-Paul Varwijk	"Scripted Manual Automated Exploratory Testing" Keith Stobie
16:30-16:45	BREAK							
16:45-18:30	"In Depth Look at the Art of Test Reporting" James Bach	"Hiring For Your Team: Culture Trumps Skills" Johanna Rothman	"Better Teamwork, Better Product" Steve Smith	"Rapid Performance Testing" Scott Barber	"To Infinity and Beyond! Simple Sampling Techniques for Test Coverage" Dawn Haynes	"Learning To Say No" Fiona Charles	"Thinking and working visually for software testers" Huib Schoots & Jean-Paul Varwijk	"Scripted Manual Automated Exploratory Testing" Keith Stobie
18:30-20:00	Dinner							
20:00-22:00	Let's TestLab & Evening Activities							
22:00-01:30	Bar and Music							

## Conference Day 1 - May 21, 2013

09:20-09:30	Morning remarks							
09:30-11:00	Keynote (in room "Runöhallen") "Kick-Ass Manager" Johanna Rothman							
11:00-11:30	BREAK							
	Sessions in room "Folkets Hus 1"		Sessions in room "Folkets Hus 2"		Sessions in room "Folkets Hus 3"		Sessions in room "Folkets Hus 4"	
11:30-12:30	"The Typo In Testing - Let's Taste!" Duncan Nisbet		"Hiring To Solve the Puzzle" Maria Kedemo		"Set your Course: Future Roles and Trends in Testing" Huib Schoots		"The Leading Edge of Testing Mobile Apps" Julian Harty	
12:30-13:30	LUNCH							
13:30-14:30	"Linguistics - On How To Keep a Dialogue Constructive" Leo Hepis		"Talking To Triangles" Dawn Haynes		"That's a bit random! Using randomness to help you test" Pete Houghton		"Don't test too much! [or too little] (Lessons learned the hard way)" Keith Stobie	
14:40-15:40	"Test Leadership Heuristics - a Mini-Workshop" Fiona Charles		"The Evil Tester's Guide to Technical Web Testing" Alan Richardson		"Python For Testers - A Live Session" Kristoffer Nordstrom		"What Is Good Evidence?" Griffin Jones	
15:40-16:10	BREAK							
16:10-17:10	"Systems Thinking For The Rest Of Us" Tobias Fors		"How You Can Get Involved in the Community" Jari Laakso		"The Test Planner - a Heuristic For Analysing Requirements and Brainstorming Test Ideas" Louise Perold		"Observation Ninjas & Description Superheroes" Ilari Henrik Aegerter	
17:30-20:00	DINNER							
20:00-22:00	Let's TestLab & Evening Activities							
22:00-01:30	Bar and Music							

## Conference Day 2 - May 22, 2013

	Sessions in room "Folkets Hus 1"		Sessions in room "Folkets Hus 2"		Sessions in room "Folkets Hus 3"		Sessions in room "Folkets Hus 4"	
09:30-10:30	"The Art of Understanding" Carsten Feilberg		"Information Overload and Bad Decisions" John Stevenson		"Falling: The Very Human Side of Testing" Simon Morley		"Integration Testing: Models, Heuristics and Tools" Anders Dinsen	
10:30-11:00	BREAK							
11:00-12:00	"Debugging Human Interactions" Steve Smith		"Hitting the wall - How (previous) action gaming experience could serve as a gateway into better testing" Mads Jullinen		"Leveraging Context to Expand Testing Horizons" Mark Micallef		"Bad Testing Metrics And What You Can Do About Them" Paul Holland	
12:00-13:00	LUNCH							
13:00-14:00	"We Know More Than We Can Tell: Tacit Knowledge in Testing" Michael Bolton		"The Commoditization of Testing Bucking the Trend" Iain McCowatt		"Testing In The Age of Distraction - The Importance of (de)Focus in Testing" Zeger Van Hese		"Fuzz Testing - Crashing Software" Jukka Taimisto	
14:00-14:30	BREAK							
14:30-16:00	Keynote (in room "Runöhallen") "Business Value of Testing" Scott Barber							

By Testers for Testers - Because People Matter

Welcome to this year's Let's Test Conference  
at Runö Conference Center,  
Stockholm Sweden  
20-22 May 2013

**Let's Test 2013**  
We salute you!
